

## Welcome to the CCPS LaunchPad (also known as ClassLink) Help Page.

---

If you need to change your password [here is our password reset page](#).

---

If you need to change a student's password [here is our student password reset page](#).

---

If you need to access the CCPS Help Desk [here is our Help Desk link](#).  
Please note: When posting a ticket to the help desk, fields that are followed by an orange exclamation point are required questions.   
You must answer those questions in order to submit your help desk ticket.

---

If you would like to learn more about using our LaunchPad choose one of the videos below.
